*During Year One, the government anticipates using 350 cubic feet of storage space. This storage fee will be paid on a quarterly basis upon receipt and acceptance of invoices as follows;

August 1, 2001 through October 31, 2001	
November 1, 2001 through January 31, 2002	
February 1, 2002 through April 30, 2002	
May 1, 2002 through July 30, 2002	

(\$ per cubic foot, per quarter. The per quarter rate \$)

When the option year is exercised, The Government will review it's storage requirement and adjust the cubic foot requirement, as appropriate.

2. **MINIMUM AND MAXIMUM AMOUNTS**

- A. During the period specified in the “Ordering” clause, the Contractor will be guaranteed a minimum workload of \$90,000 and the maximum workload limit will be \$1,000,000 during one year from the effective date of this contract.
- B. At the option of the Government, this contract may be extended for an additional one-year term. If this option is exercised, the Government will guarantee a second year minimum workload of \$90,000 and the maximum workload limit will be \$1,000,000 in the second contract year. The total guaranteed minimum *cumulative* workload will be \$180,000 and the maximum *cumulative* workload will then become \$2,000,000 for the two-year contract period.
- C. At the option of the Government, this contract may be extended for an additional one-year term. If this option is exercised, the Government will guarantee a third year minimum workload of \$90,000 and the maximum workload limit will be \$1,000,000 in the third contract year. The total guaranteed minimum *cumulative* workload will be \$270,000 and the maximum *cumulative* workload will then become \$3,000,000 for the three-year contract period.
- D. At the option of the Government, this contract may be extended for an additional one-year term. If this option is exercised, the Government will guarantee a fourth year minimum workload \$90,000 and the maximum workload limit will be \$1,000,000 in the fourth contract year. The total guaranteed minimum *cumulative* workload will be \$360,000 and the maximum *cumulative* workload will then become \$4,000,000 for the four-year contract period.
- E. At the option of the Government, this contract may be extended for an additional one-year term. If this option is exercised, the Government will guarantee a fifth year minimum workload of \$90,000 and the maximum workload limit will be \$1,000,000 in the fifth contract year. The total guaranteed minimum *cumulative* workload will be \$450,000 and the maximum *cumulative* workload will then become \$5,000,000 for the five-year contract period.
